[IMPORTANT -- PLEASE READ CAREFULLY BEFORE SIGNING]

The Apostolic Assembly of the Faith in Christ Jesus (“Apostolic Assembly”) may obtain information about you from a third-party consumer reporting agency for employment/volunteer assignment(s) purposes. Thus, you may be the subject of a “consumer report” and/or an “investigative consumer report” which may include information about your criminal history, social security verification, motor vehicle records (“driving records”), verification of your education, employment history, or other background checks.

You have the right, upon written request made within a reasonable time after receipt of this notice, to request whether a consumer report has been run about you, and disclosure of the nature and scope of any investigative consumer report and to request a copy of your report. Please be advised that the nature and scope of the most common form of investigative consumer report is an employment history or verification, however, the scope of this disclosure is all-encompassing and allows the Apostolic Assembly to obtain from any outside organization all manner of consumer reports throughout the course of your employment/volunteer assignment(s) to the extent permitted by law. These searches will be conducted by the following Consumer Reporting Agency: \_\_\_\_\_
